

PARENTS CODE OF CONDUCT

Statement:

It is the intention of this Code of Conduct to promote fair racing and respect for all participants within PPKC and its member clubs. It is the expectation of the Association's Board of Directors and membership (your peers and fellow racers) that all parents will adhere to the Code of Conduct set out below and respect the principles of fair racing that the Code embodies at all times while participating in any Ontario racing activity.

Standards:

1. We will respect the concept that children race because they enjoy it and not because their parents, coaches or others want them to.
2. We will respect and cooperate with teammates, coaches, opponents, officials, and other parents and will treat all athletes as we would like to be treated.
3. We will at no time interfere with, bully, or take unfair advantage of any racer, coach or official, and will always consider the physical and emotional wellbeing of others.
4. We will display self-control, courtesy and good manners at all times when representing our team and our club.
5. We will remember that winning isn't everything – that having fun, improving skills, making friends and doing one's best are important to everyone.
6. We will respect the reasonable requests of the coaches and officials and recognize that failure to show such respect, including being late for or disrupting training or a race, may result in an athlete or parent being asked, at the sole discretion of any PPKC board member or official, to leave the site for the remainder of the race day.
7. We will at no time as parents or guardians of members of PPKC verbally or physically threaten, intimidate or be abusive in any manner to a racer, official or crew/family.
8. We will respect the disciplinary decisions made by the PPKC Board or we will follow the proper course of action and appeals available to us should we disagree with any of these decisions.
