NOTES

Jr. Heavy competitors who weigh 170lbs. or more (without racing gear) can race using a Briggs Black Slide. Minimum weight for kart & driver will be 360 lbs.

All rookie drivers must race 3 races starting from the rear of the field. At the time, a rookie driver registers for their 4th race, notification to remove the X from their helmet and their kart will be given. In the event the Board of Directors feel that a driver does not meet requirements to remove the X, Driver and or Parent/guardian will be notified at registration or prior to race day.

Rain tires are open for all classes

Provisional classes will only race if 4 or more karts are registered

Official classes may be combined if 4 or less karts are registered

Vega Blue is the official tire for racers competing for the PPKC Club Championship.
